

## Fun Facts

### DO YOU REALLY KNOW YOUR BOARD?

#### WSASC BOARD MEMBERS

##### Kathy Armstrong:

I used to be a competitive race walker, 3rd in the nation in 1995.

##### Antonia Kerney:

For 7 years I was my husband's pit crew when he raced motorcycles and go-karts. He raced at all the big name tracks in California. Love that 2 stroke engine smell!

##### Jacob McGee:

When I was little, I wanted to be a weatherman when I grew up. "There is a chance of clouds today, some sun, and a little rain."

##### Julia White:

I am fascinated with gems and minerals. I have been a member of the Puyallup Valley Gem and Mineral Club since 1999. If you come to my office you'll find a huge smoky quartz pointer and/or beautiful crystallized thunder egg on my desk being used as a paper weight. I have other rocks lying around my office too...and my house is a whole different story! By the way our state mineral is petrified wood!

##### Rocky Kirwin:

Yes, my real name is Rocky. I was named after a guy named Rocco, who went by Rocky. My mom remarried and her last name is now Rocco.

##### Elizabeth Schied:

I once flew in a World War I by-plane. We did some maneuvers including a trick called the "hammerhead". It was an incredible and exhilarating experience, but once is enough!

##### Fred Corbett:

I'm a retired Barber after over twenty years in my own "One man shop".

It has been an honor and pleasure to serve the WSASC membership and work with two fantastic boards during the last 4 years. I have grown professionally and personally because of each of you. Thank you!
